[Click Here for Instructions to Register](#)

Please note: If you are a current student, you need not apply to the college and pay an application fee again - please follow the registration procedures only.

Also included is a new form to pay by credit card!!!

When looking online, we list courses “* There are currently no seats available for the noted section(s). Check back periodically to see if availability has changed.” so that they stay closed just for NE Key region participants! You **MUST fax or mail information to register for NE Key funded classes!**
